TSplus Update/Support Services are a yearly subscription that applies to all TSplus product lines. The subscription or renewal fee is a percentage of the product license prices.

** Not compatible with TSplus Remote Support. The updates & support being already included in the annual subscription fee.*

TS PLUS | LICENSE UPGRADES

Increase user count, add features or upgrade to a bundle of products.

| | |
|----------|--|
| Users | Increase user count of an existing license |
| Editions | Upgrade to a higher edition of a product |
| Bundles | Upgrade to a bundle of software |

The upgrade price is the value of the new license minus the cost of the existing one, plus 10%.

** License upgrades require an Update/Support subscription.*
